Korosh, great, I will stop by next Wednesday. I will try for the beginning of the class period so as not to interrupt your lecture.

Subject: Visit 311 next Wednesday- new PEO review

Hi Korosh,

As you know, the faculty revised our ChE Mission Statement and Program Educational Objectives a few months ago.
I sent an online survey to our external advisory board and alumni over the summer, and now I would like to survey our students before finalizing the PEOs.

Would you mind if I visited your CHE 311 class nex week on Wednesday for ~5 minutes to introduce our new PEO's to the students?
I'm hoping that I will get a better response if I talk to the students first before sending them the survey.

Thanks,

Alan
