

Undergraduate Report: Faculty Meeting, September 13, 2022

1. Fall 2022 Undergraduate Enrollment
 - a. Total: 201 students (seems low, rechecking numbers)
 - b. Fall 2022 Freshmen 27 + New Transfers 19 = 46 new enrolled students
2. Summer 2022 courses: CHE 312, 313- worked out well, good feedback from students about instructors (Betul Bilgin and Jeffrey Zalc)
3. Open House Saturday September 17
 - a. Information presentations in EIB- Vikas and Michael
 - b. EXPO Table outside near SEL: Ezinne, ChemE car team, Undergraduate student volunteers
 - c. We still need faculty to help out!
4. ABET information
 - a. Course rubric assessments from Spring semester- I will contact faculty about doing the assessment
5. External Advisory Board meeting- Fall 2022 or Spring 2023

Respectfully submitted,

Alan Zdunek

Undergraduate Report: Faculty Meeting, October 14, 2022

1. Advising Week- October 24-28
 - a. Advising timeslots spreadsheet sent out by Eddie Martinez
 - b. Students sign up next week
 - c. Advising FAQ'S, Updated Semester Course Schedule and Flowchart (Core BS and Concentrations)
 - d. Advising sessions- Use iAdvise
2. ABET information
 - a. Course rubric assessments from Spring semester- I will contact faculty about doing the assessment
3. Fall 2022 Undergraduate Recruitment
 - a. Open House September 17- Success! Correspondence to attendees
 - b. International Latina Week- Unit Ops Lab tour October 15
4. Higher Learning Commission visit in March 2024- Planning, need feedback on PEO's and Course SLO's.
5. North-Central Regional Conference hosted by UIC Chemical Engineering (April 2023)

Respectfully submitted,

Alan Zdunek

Undergraduate Report: Faculty Meeting, November 11, 2022

1. Advising Week Feedback
 - a. CHE 230 course- only required for new students (Fall 2023) or for concentrations
 - b. Accommodating stragglers
2. IES Engineering Study Abroad Consortium, Dublin City University
 - a. Initiative to create a more formal study abroad program for engineering students
 - b. US universities: UIC, Penn State, Lehigh U, U of Rochester, U Missouri (Columbia), Howard U, Spelman College
 - c. International universities (study abroad sites): Dublin City University, U of Cape Town, SA, Instituto Quimico de Sarria (Barcelona, Spain).
 - d. IES Abroad-
 - i. Third party vendor coordinating the effort
 - ii. IES Study Abroad Centers in 30 countries
 - iii. Well-established method of vetting courses and instructors.
 - e. Recommendations on engineering/science courses for study abroad program
 - f. Semester-long, summer session, 1-2 week session (Spring break, Holiday break), Internships
3. Fall 2022 Undergraduate Recruitment
 - a. Application reports not available yet from COE
 - b. Vikas Berry- Walter Payton Open House, initiate a relationship
 - c. Alan- Kenwood Academy- HS visit
 - d. Michael Caracotsios- IMSA visit (with UG student)
4. North-Central Regional Conference hosted by UIC Chemical Engineering
 - a. March 31- April 2: ChemE car competition on April 1
 - b. Planning is progressing- need to finalize ChemE car location on campus

Respectfully submitted,

Alan Zdunek

Undergraduate Report: Faculty Meeting, February 3, 2023

1. Fall 2023 Undergraduate Recruitment (1-31-23 update)
 - a. Admits: 79, Accepted Offer: 2, Incomplete application: 22
 - b. WIE Scholarship Brunch Event: February 4 and 18**
 - i. 4 ChE admit women applicants
 - ii. Alan, Eddie, Betul, Ezinne, Vikas, SWE ambassadors, AIChE student chapter
 - c. White Lab-Coat Ceremony: March 11 2023 10 AM - 1 PM with Lunch for ChE admits. Presentations/Tour, Ceremony (Lab Coat/Safety Glasses), Faculty Show-and-Tell
2. **COE automatic pre-requisite checking**
 - a. Currently for CHE 201, 205, 210
 - b. CHE 230, 300-level courses- Alan and Eddie reviewing pre-requisite revisions before adding
3. Higher Learning Commission Review Spring 2024
 - a. 2015-2020 ABET Self-Study Report
 - b. COE asking for course assessments** 2020-2021 and 2021-2022 by end of February
 - i. May need more input from faculty
4. **AIChE North-Central Regional Conference at UIC March 31- April 1 (NOT the MRC!)**
 - a. Annual conference for AIChE student chapters in North-Central region
 - b. ChemE car competition on April 1- UIC MAC gym in athletic center
 - c. 4 Workshop sessions, ChemE Jeopardy, Willis Tower outing, student research poster competition, Saturday night banquet, career fair(?)
 - d. Workshop speakers, **keynote speaker for Banquet**
 - e. Volunteers needed:**
 - i. Research poster judging
 - ii. ChemE car event- judging posters and safety
 - f. Corporate sponsorship
 - g. AIChE UIC student chapter leading effort in planning conference

Respectfully submitted,

Alan Zdunek

Undergraduate Report: Faculty Meeting, March 10, 2023

1. Fall 2023 Undergraduate Recruitment (2/7/23 update)

a. WIE Scholarships Brunch

- i. Betul, Ezinne, Vikas, Eddie, ChE UG students- Thank you for helping out!
- ii. 5 ChE recipients offered scholarships:
 1. Three, \$20,000 - Greer Scholarships
 2. One, \$15,000 - SWE Knowles Scholarship
 3. One, \$30,000 - Deans Merit Scholarship

b. COE Information Session/Presentation- Recruiting CS applicants to CHE major- March 1st

c. **Explore Engineering Night**- College of DuPage February 24th: Eddie and Alan

d. **Lab-Coat Ceremony: March 11, 2023, 10 AM - 1 PM** for ChE admits. Presentations/Tour, Ceremony (Lab Coat)

e. **IGNITE Event**: COE event for admits: April 15th 10am-11:45am- Volunteers needed

2. AIChE North-Central Regional Conference at UIC March 31- April 1 (NOT the MRC!)

Annual conference for AIChE student chapters in North-Central region

- a. ChemE car competition on April 1- UIC MAC gym in athletic center
- b. ChemE Jeopardy competition
- c. 4 Workshop sessions
 - i. Meenesh Singh research
 - ii. Industry Panel Discussion- UIC ChE alumni
 - iii. Professional Development- Robert Orent, Stepan Company
 - iv. Speed Networking with UIC ChE alumni
 - v. Creating a strong student chapter, Matt Liberatore, U Akron (UIC ChE alum)
- d. Student research poster and technical presentation competitions
- e. Willis Tower social outing
- f. Saturday night banquet Keynote Speaker **Rachel Brenc LanzaTech**
- g. Career Fair
- h. Corporate sponsorship

3. Chemical Engineering Industry Panel- Wednesday March 15th

- a. 5 UIC ChE alumni

4. Advising Week next week

- a. Check Sign-up for advisees- send email reminder
- b. **Box folder- Advising Week Information**
 - i. FAQ's list
 - ii. iAdvise procedure
 - iii. Course schedule and prerequisite flowchart
 - iv. Questions?

Respectfully submitted,

Alan Zdunek

Undergraduate Report: Faculty Meeting, April 14, 2023

1. **Fall 2023 Undergraduate Recruitment (update)**
 - a. Admits: 114, Accepted Offer: 19 Rejected Offer:11
 - b. **IGNITE Event: April 15 (tomorrow!)**
 - i. Alan, Eddie, Vikas, SWE ambassadors, AIChE student chapter, ChemE car team, student volunteers, research labs
 - ii. Lab-Coat Ceremony/Presentations/Tours/Food
2. **AIChE North-Central Regional Conference at UIC March 31- April 1: Kudos to AIChE @UIC!!**
 - a. 15 Midwest universities, over 220 attendees, alumni volunteers
 - b. ChemE car and ChemE Jeopardy competitions, Workshop sessions, student research poster and technical presentation competitions, banquet
 - c. Career Fair- 7 companies (BP Whiting, Kraft-Heinz, Zachry Engineering, UOP/Honeywell, ProLeiT...)
 - d. 10 Corporate or individual sponsorships
 - e. ChemE car unused chemicals: Will send list to faculty.
3. **AIChE Chicago Section McCormack Award-UIC**
 - a. Rebecca Ellington, Senior
 - b. Student poster competition
4. **Spring 2023 course rubric assessment**
 - a. All Spring 2023 CHE course instructors
 - b. Save an exam/project/report from your course for all students
 - c. Individual faculty rubric assessment for ABET-early May- will contact everyone. Thanks!

Respectfully submitted,

Alan Zdunek

Undergraduate Report: Faculty Meeting, May 5, 2023

1. **Fall 2023 Undergraduate Recruitment (update)**
 - a. Accepted Offer: 39
 - b. Lab Coat Ceremony for Transfer admits- June
 - c. Keep sending communications to transfers and ITE's
2. **Spring 2023 course rubric assessment**
 - a. All Spring 2023 CHE course instructors
 - b. Important for courses connected with new Concentrations
 - c. Save an exam/project/report from your course for **ALL STUDENTS**
 - d. Individual faculty rubric assessment for ABET- May/June- will contact everyone. Thanks!
3. CHE 210: Required course in Environmental Engineering program
 - a. Discuss # students expected and which semester with CME DUGS
4. **External Advisor Board Meeting planning**
