Safety Assignments in CHE 201, CHE 396, CHE 397

CHE 201:
Students are expected to complete two SaChE safety modules online and submit their certificates
of completion to the instructor. Students can choose two of the modules listed under Level One
Curriculum on this website: https://www.aiche.org/ccps/education/safety-and-chemicalengineering-
Education-sache-certificate-program.

CHE 396:
Students are expected to complete SaChE safety modules online and submit their certificates of completion to the instructor (https://www.aiche.org/ccps/education/safety-and-chemical-engineering-education-sache-certificate-program). There are only two required SaChE modules for ChE 396:

-Inherently safer design
-Choose one from Level III list

CHE 397:
Students are expected to complete two SaChE safety modules online and submit their certificates
of completion to the instructor. Students can choose two of the modules listed under Level Three
Curriculum on this website: https://www.aiche.org/ccps/education/safety-and-chemicalengineering-
education-sache-certificate-program.
