

September 2024 faculty meeting minutes

1. Department Committee Members

- a. For graduate committee: Brian, Vivek, Ezinne, Anh and Shafigh
- b. For undergraduate committee: Alan, Koresh, Lew and Vivek
- c. Lab and Building safety: Jab, Brian and Michael
- d. Award Committee: Michael and Ezinne
- e. Website Committee: Jan and Meghan
- f. PR: Meghan, Alan, Meenesh, Lew, Michael and Ezinne
- g. Seminar: Shafigh and Vivek
- h. Diversity, Equity, Inclusion: Betul, Meenesh, Meghan, Eddie, Ying, Ezinne, Korosh, Chritos
- i. CHE 101: Betul, Alan, Meenesh, Lew, Michael, Ezinne
- j. CHE Connect: Ezinne, Korosh, Betul, Nadia, Monse, Joshua, Jan
- k. Advisory Committee: [Vote for the committee using link sent](#)
- l. COE executive: Ying - elected by "vote by voice" for the next two years

2. Important Dates

- a. Sep 6 (last day for add/drop)
- b. Sep 9 (welcome picnic)
- c. Sep 17-18 (Career Fair)
- d. Sep 21: (UIC Open House) – from 9am-1pm ([Michael and Betul](#))
- e. Sep 24: (Town Hall at Noon) – [Brian, Vikas and Alan](#)
- f. Oct 18: CHE Industry Day ([finalized](#)) and Industrial advisory board ([yet to confirm](#))
- g. Oct 24: AIChE week
- h. Oct 21-25: Advising week
- i. Nov 4: Election day
- j. Dec 6: Last day of classes
- k. Final exam week

3. Faculty Recruitment (New Dean)

- 4. RA/TA support clarification: Students who doesn't have support, apply in other departments, also our department can provide support.

5. Enrollments

- a. Undergraduate: 165 registered for fall 2024 (-6.8% change from last year))
- b. Freshmen and transfers: 38 registered for fall 2024 (-5%)
- c. Masters: 13 (+116.7%)
- d. New MS: 7 (+75%)
- e. PhD (42 (-14.3%))
- f. New PhD (-50% - affected mostly due to visa)

6. Expenditures FY 2024: \$3.51M (compared to CME at \$3.27 M)
 - a. Anh: \$1,101 K
 - b. Meenesh: \$630 K
 - c. Brian: \$497 K
 - d. Vivek: \$287 K
 - e. Sangil: \$275 K
 - f. Ezinne: \$244 K
 - g. Vikas: \$230 K
7. Updates:
 - a. Undergraduate program: Alan
 - b. Graduate program: Brian
 - c. COE Executive committee: Ying
 - d. Associate Dean's office: Ying
 - e. Diversity committee: Betul
 - f. Entrepreneurs club: Said
 - g. DATS update: Ezinne/Betul/Korosh
8. From Alan:
 - a. Undergraduate enrollment:
 - i. 10-day numbers are 165 as of now
 - ii. Reaching out to undeclared Engineering students to declare CHE major.
 - b. High school visits (Alan will send an email)
 - c. Alumni relations
 - d. CHE curriculum changes (introducing CHE 101; yet to work on prereq for 300 level courses)
 - e. Math/science credit hour deficit issues
 - i. 2 credit hours short in Math/Science due to chemistry department changes to ORG CHEM I and II
 - ii. Faculty advisors email Alan/Eddie about this deficit issue
9. Other updates:
 - a. Entrepreneurs Club:
 - i. Update from Said: Marti from OTM wants to meet with the department to present
 - ii. Probably will join during one of the faculty meetings
 - b. Meenesh:
 - i. we have AIChE reception and graduate booths
 - ii. IIT Roorkee students' recruitment
 - iii. For graduate student recruitment: creating a UIS center in India at New Delhi (UIC) through IUSST
 - iv. Undergraduate recruitment as well

c. Vivek:

- i. Marcio is coming to meet us this week
- ii. Expressed interests in connecting with us
- iii. He runs a big program, has students,
- iv. It will help in improving enrollment numbers.

Program Educational Objectives

Chemical Engineering Undergraduate Program:

PEO	Category	Description
1	Depth	In engineering practice, <u>advanced study or original research</u> , UIC Chemical Engineering bachelor's degree graduates will be effective in applying <u>fundamental principles, scientific knowledge, rigorous analysis, creative design, and conceptual innovation</u> .
2	Breadth	Based upon mastery of engineering in a broad, societal context, UIC Chemical Engineering graduates will have <u>successful careers in the public or private sectors</u> , or in the pursuit of graduate education.
3	Professionalism	In the service of industry, government, the engineering profession and society at large, <u>graduates will function effectively in the complex modern work environment with clear communication, responsible teamwork, and high standards of ethics, professionalism, safety and protection of the environment</u> .
4	Life-long learning	Based upon a rigorous undergraduate program that is innovative, challenging, open and supportive, <u>graduates will enhance their skills and knowledge through life-long learning and demonstrate professional leadership</u> .

DEPARTMENT UPDATES

43rd Academic Year as Chemical Engineering at UIC

DEPARTMENT UPDATES

Important Dates

- Jan 24: B2F Deadline
- Feb 3: Fall Application Deadline
- Mar 24-28: Spring Break
- April 1: Transfer Student Deadline
- May 2: Spring Semester Ends

Notes

- B2F Position – 96 Applications (Betul)
- Faculty Position – No Positions!
- Cassandra will work with COE specialist on grants
- Undergraduate Recruiter will be shared with ChE – Miiri's Office
- (Policy-does not affect us currently) Faculty Members with majority appointment outside the department can get voting rights via department voting.
- DPI – Push to move control to UIUC
- Uncertainty with NIH and DOE
- Lab Air Quality (Meenesh)

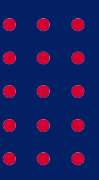

DEPARTMENT UPDATES

Teaching Load Policy (For Discussion)

- Tenure Track: 4 Courses
- Non-Tenure Track: 6 Courses
 - First Course Reduction: ICR-generating Grant Expenditure > \$75,000 in the previous year
 - Second Course Reduction: (1) \$300,000 in the previous year or (2) \$500,000 in the previous 2 years
 - Student Advising: Any faculty that does not participate in student advising (Fall & Spring) will get an additional course load.
- Buyout Policy
 - 3-course load faculty can buyout 1 course for 1/9th academic year Salary
 - 3-course load faculty can buyout 2 courses for 3/9th academic year Salary
 - 2-course load faculty can buyout 1 course for 2/9th academic year Salary
- Cost Share will not have any effect on this policy

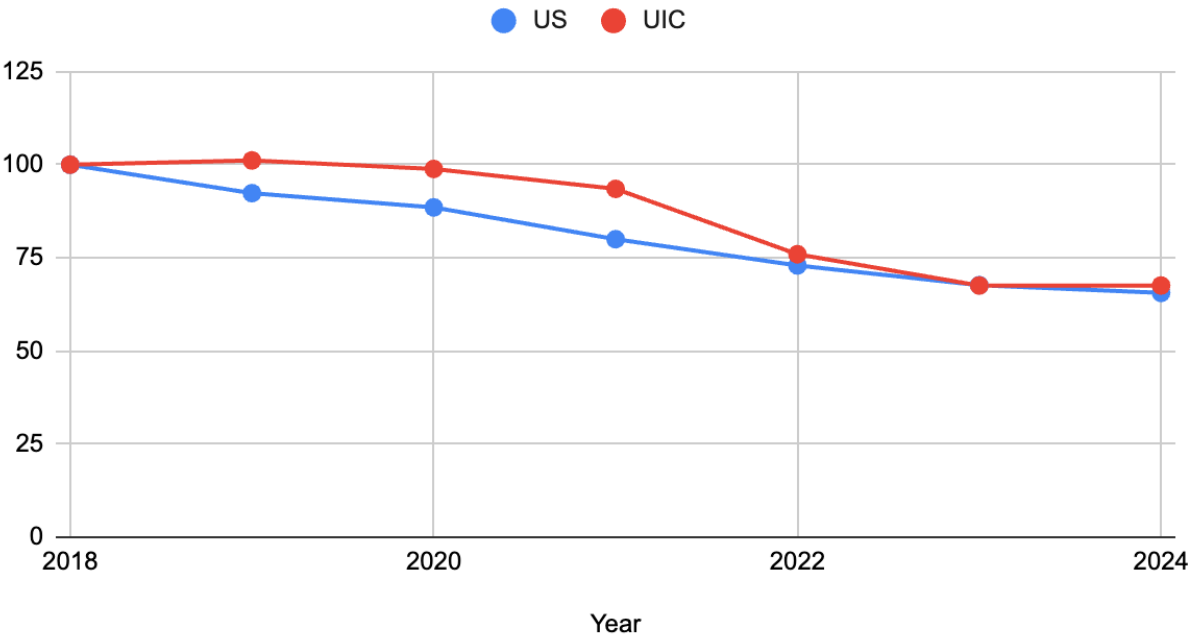

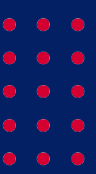

DEPARTMENT UPDATES

- Education (\$1M)
- Instrumentation (\$1.4M)
- Soft Mater (\$130K)

DEPARTMENT UPDATES

AIChE

- National ChE enrollment decreased by 3% (6.5% for UIC)
- BS degrees stayed flat (same as UIC)

DEPARTMENT UPDATES

Department Culture

- Culture driven by faculty!
- Cordial behavior with other faculty, staff and students.
- What is appropriate to discuss with graduate students?
 - Tiff with another faculty
 - Negative views about other faculty
- Action on feedback or grievance in cordial manner
- Respect for junior faculty
- No to microaggression
- Strong grants and research => should be celebrated and promoted => not a reason for lack of respect, condescension, aggression or dismissive behavior

DEPARTMENT UPDATES

Undergraduate Recruitment: Spring 2025 Enrollment

- a. 6 Intent-To-Enroll, 5 Admitted
 - a. Emails sent to students- ITE deadline December 1st
- b. COE Recruitment sponsored event 10/30: Northside College Prep HS visit to UIC:
 - a. 30 sophomore/junior/senior students and HS counselors
 - b. Alan Zdunek presentation- a lot of interest!

Advising Week October 21-25 Follow-up

- a. Feedback?
- b. Advising survey: About 50% of students completed the survey. Need better participation next semester

GPIP course requirements for Transfer Students

- a. Current transfer student requirements: CHE 312, CHE 313, CHE 321. It makes it difficult for transfer students to participate in GPIP program until their last summer before graduation.
- b. Propose making CHE 201, 205, CHE 210 as course requirements. Comments and discussion?
- c. Vote to approve or send an email to faculty to vote.
- d. Note: Freshman course requirements: MATH 180/181, CHEM 122/123, CS109
