A Chemical Hygiene Plan (CHP) is an OSHA required safety document at all R&D facilities. A CHP contains useful information on chemical and gas handling, conducting experiments safely in a laboratory setting, employee responsibilities,as well as what to do in an emergency. Employees are required to read the document annually and sign a release form.

ASSIGNMENT: A CHP and 1-page Safety Rules document from a corporate R&D Center have been provided in this Assignment folder (and also located in the Safety folder).

Please review the documents. You will be responsible for material in the following Chapters: Chapter 1, 3,2, 4, 5, 6, 7, 8, and the
