

Industry Partnership Opportunities — Signup (Select options)

Please check the boxes for options you wish to commit to.

Micro / In-Kind Tier (Non-cash / Entry)

- ☐ Student Mentoring
- ☐ Industry site visits / plant tours / access to test data
- ☐ Classroom instruction / guest lecture / workshop
- ☐ Equipment loan or donation (benchtop instruments)
- _____
- ☐ Small in-kind scholarship (e.g., travel grants for students to conferences)
- ☐ Select Micro / In-Kind Tier (Other)
- _____
- _____

Engage Tier — \$5–10K (select any)

- ☐ Sponsor one senior capstone project (mentor + \$2k–\$5K materials)
- ☐ Chem-E-Car or Chem-E-Cube support (~\$8K)
- ☐ Equipment donation (< \$10K)
- _____
- ☐ Hire 1–2 paid summer interns / fund internship stipend
- ☐ Student travel grants (~\$3K each)
- ☐ Computers (\$2.5K each)
- ☐ Select Engage Tier (Other)
- _____
- _____

Collaborate Tier — \$25–75K

- ☐ Sponsored seed research project (\$25–75K, 6–18 months)
- _____
- _____
- ☐ Co-branded event (innovation challenge, training workshop)
- _____
- _____
- ☐ Multi-internship cohort or co-op support (stipends for 3–5 interns)
- ☐ Large equipment purchase (unit operations equipment)
- _____
- _____
- ☐ Select Collaborate Tier (Other)
- _____
- _____

Partner Tier — \$100K+

- ☐ Multi-year sponsored research program (>\$100K/year)

- ☐ Dedicated graduate fellowship or multi-year internship program

- ☐ Equipment co-funding for pilot/shared facility

- ☐ Facility renovation / dedicated lab sponsorship

- ☐ Select Partner Tier (Other)

Legacy Tier — Endowments

- ☐ **\$500K — Named Professorship**

- Establish a named professorship to support salary & research startup needs.
- Benefits: Visible recognition, annual partner briefing; attracts/retains senior faculty; seeds research & mentoring.
