

Student Survey: ChE Program Educational Objectives

Greetings! The ABET accreditation of our chemical engineering program requires our students to be familiar with the Chemical Engineering Program Education Objectives (PEO's). PEO's are broad statements that describe the career and professional accomplishments that our program is preparing you to achieve after earning your bachelor's degree.

Please review the Program Educational Objectives below and check that you have read and understood them. You may also suggest changes to any specific aspects of the PEO's if you wish, but it is not required.

Please complete before May 9th, 2025.

Thank you in advance for your time!
